G C G
Two candles glowing with One Flame,
G C D
Let us shine into the deepest darkness.

C G
May no one even notice
C G
as we melt the hardened hearts,
C G
as we light a darkened path,
C D
and we blaze our way right back home to You.

G C G
Two candles glowing with Your Flame,
G C D
Let us shine into the deepest darkness.

C G
May no one even notice
C G
as we mend the deepest wounds,
C G
as we shine into the night,
C D
and we blaze our way right back home to You. (repeat all, once)

G C G
Two candles glowing with One Flame,
G C D
Let us shine into the deepest darkness.

G C G
Two candles glowing with One Flame..... (fade)
